Career Experience

Mandalay Technologies, Brisbane — Marketing Support
FEBRUARY 2015 - MARCH 2016

In this role at Mandalay Technologies I was responsible for supporting the marketing team with various assets
and e-learning content.

- Creation of iconography for use throughout business branding
- Working closely with marketing leadership to develop advertising and marketing material to boost
  online presence
  - Infographics
  - Video material
  - Media banners
- Developing E-Learning content
  - The creation and implementation of E-learning courses
  - Developing a visual style for the E-learning course in conjunction with third party businesses.
  - Working with technical experts to gamify complicated waste industry protocols to make
    learning easier
